3. The advancing of the interests of this province do not rest upon the observance of some peculiar, political ritual. My experience as a member of the Legislature during the past four years has taught me that its big job is administration. The yearly revenue of the Provincial Government is approximately \$25,000,000. How effectively can this amount be spent in service to the greatest number of beneficiaries, for hospitals, schools, the building and maintaining of roads, the encouragement of agriculture

We further believe in rural electrification, free medical and hospital care, free University education and old age pensions based on the right of every citizen to a happy and care-free old age. Surely these are worth

Ray— You look good enough to eat.

Because politics are a hindrance to efficient administration and has been so prevalent in past years we have become politically unstable. Political stabilisation is necessary for post-war reconstruction and can only be effected by men and women putting Province before Party, supporting a progressive movement which has as its objective honest, efficient and stable provincial administration.

LADIES NIGHT AT LIONS

It was an exceptionally interesting program arranged for Thursday last when the Lions extended invitations to the Ladies of their group.

Lion President Leonard Hilton made his initial bow as President and very ably performed his duties.

The appetizing repast provided by Mr. and Mrs. Vermont was done ample justice. Community singing conducted by Lion J. A. Tench livened the intervals.

A piano duet by Mrs. Mercer and Miss Georgia Chapman was well rendered.

Miss Patricia Hermanson of Hervey a new contributor in local concerts amazed the audience with the range of her voice. Very high notes hold no worry for the youthful songstress. She sang two solos, accompanied by Miss Chapman on the piano. Miss Hermanson's voice merits careful training.

A very funny skit was put on by a group of Lions with Mrs. Hunt reading the character sketches. The gruff burly king (Geo. Anderson) with his three eligible daughters, one too fat (L. Roberts) one too thin (J. Robison) and one very beautiful (W. Mercer) with Prince Charming (Dr. John "brought down the house" with their amusing by-play.

The address of the evening was given by Mrs. Stickney of Lytla.

Taking as her topic, "Mexico and

the Mexicans" Mrs. Stickney gave such a vivid word picture of the people and the country, that one felt almost as though he were actually seeing the places described.

Mrs. Stickney is clever humor personified and she kept her audience in almost constant peels of laughter, with her bright witticisms, the while making some very practical philosophical statements.

Describing some of the magnificent sunsets and sunrises of Mexico, she said the brilliant and varied colorings far surpassed those we have in Alberta in which we so revel.

She described in detail the theatrical curtain in Mexico city, which she said was made of 2000 pieces of spun glass. A sight to remember.

The views from some of the places were breath-taking in their loveliness.

The Mexican people she described as being most cordial and dependable as long as they are treated in like manner. They never forget a kindness nor an injury. The Mexicans take life leisurely, they are never in a hurry. Mrs. Stickney had on view some beautiful samples of their lace work and marble handiwork.

Transferring her topic from Mexico to Strathmore Mrs. Stickney made an urgent and impassioned appeal for a Hospital for Strathmore. She appealed to the Lions present to get behind this as one of the greatest needs for Strathmore and the surrounding community, and would prove a much needed and very worthy acquisition to Strathmore.

President Hilton in expressing the appreciation of the Lions to those as-

sisting on the program paid special tribute to Mrs. Stickney and assured her the Lions would take into consideration her suggestion re a Hospital and see what could be done.

The meeting closed with the National Anthem.

NIGHTINGALE

— By Mrs. F. H. —

Mrs. John Cameron of Peachland B. C. was here for a few days last week on a visit to her father-in-law, who has gone back to B. C. with her.

Miss Hilda Trollope is enjoying a two week furlough with her home folks.

Miss Elsie Larson of Calgary is spending two weeks with her parents.

Kathleen Joel and Delores Morgan went to Banff on Tuesday for a stay of a month. Delores has enrolled in the summer arts school. We wish her every success.

Mrs. James Mercer of New Westminster B. C. is here on a visit with her husband's father and brothers and families.

The Women's Institute held a special social meeting at the hall last Friday. Current Events were given as roll call. After some general business was completed a dance for the near future was discussed and the committee will be arranging for one very soon. Mrs. C. Jukes and Mrs. P. H. Hildahl were welcomed as new members. A delicious tea was served at the close of a pleasant afternoon.

We are sorry to learn of the rather sudden illness of Mrs. Farr. Sr. We wish her a speedy recovery. Mrs. Don Murray and daughter of Bowden came down to spend a few weeks with her mother.

Mr. and Mrs. Milo Kinney from Prince George B. C. are here for a visit with Mr. and Mrs. Lee Kinney. It is thirty years since these brothers have met. On Sunday Mr. and Mrs. Kinney entertained a number of their friends to meet his brother and sister-in-law. Members of the younger generation went for a swim and after supper a real ball game was enjoyed with Mr. Jukes one of the star players.

The sincere sympathy of this community is extended to Mrs. Pearl Joel and family in their recent sad bereavement.

The Misses Doris Hilton and Milly Harriman left Sunday for Oida where they will attend the course for young people at the Agricultural college.

Mr. and Mrs. Frank Smith are the proud parents of a daughter born July 18th, at the Holy Cross Hospital.

F. W. GERSHAW WRITES FROM OTTAWA

OTTAWA NOT TO RELEASE DRAFT ARMY

OTTAWA—The Federal Government will not release the 73,000 draftees in the Canadian Army as demanded in the Progressive Conservative budget amendment. As long as there is a chance that they may be needed for overseas reinforcements, they will be kept in the service, Hon. J. L. Ralston, Minister of National Defence, told the House of Commons.

In the past six months, Col. Ralston said, the army has discharged about 30,000 men medically unfit for overseas service, for work on farms and in factories. Of these 7,000 were draftees.

Most of the draftees are performing necessary military service on the Pacific and Atlantic coasts and in Newfoundland, Labrador, Bermuda and Jamaica, Col. Ralston revealed. They are thus performing duties which would otherwise keep the same number of volunteers from going

overseas. More than 25,000 volunteers have been accepted into the army in the past six months. 1,000 more than the needed quota for reinforcements, the Defence Minister stated. With a big pool of reserves in Britain and 80,000 in Canada, besides 50,000 draftees available if necessary, Canada has sufficient reinforcements for all expected demands until next year, Col.

Ralston said. If casualties are unexpectedly high, or fighting demands on the army are expected increased, draftees will be sent overseas if they are needed, he asserted. The overseas reinforcement system is working splendidly and field commanders both in France and Italy have expressed their satisfaction with quick renewals of troops the Minister said.

Earl Cameron is the voice listeners hear on the late summary of the day's news, presented over the Trans-Canada Network of the CBC, at 9:00 p.m. daily. Mr. Cameron is a news announcer because that's what he wanted to be—and it was almost that simple. He was working in the retail hardware business in Moose Jaw

when a CBC announcer from Toronto arrived to conduct auditions. Not very long after that, he had been chosen as one of the best announcers in the country and later, for Toronto, he was chosen to be a news announcer. He now presents the news reports to listeners from coast to coast including the folks back home in Moose Jaw.

Town Improvement

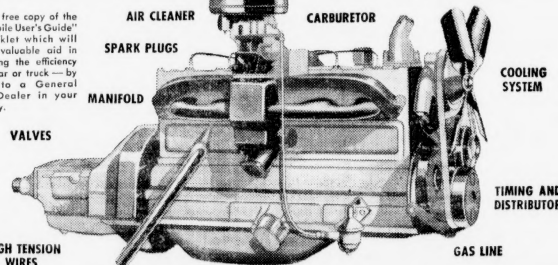

Cpl. Mott R. C. M. P. is to be congratulated on the fine improvement he has made to the boulevard in front of his home. He has levelled it off built in a shale walk with a border of flowers on each side. Around the plot he has constructed a rail fence of green branches, and on the front rail he had made the letters R. C. M. P. out of thicker pieces. This is a very commendable improvement, and we welcome such for our Town. Who will be next?

A Right to be Proud

THROUGH all the important deliberations going on in the past two weeks at Bretton Woods, New Hampshire, there runs one note of great interest to all Canadians.

That note is the repeated appreciation and praise for the calibre and competence of the Canadian delegation.

In large measure, this delegation centres round the "anonymous" group of men who purchased last summer the little-publicized Canadian draft for an international stabilization fund. Canada produced this draft, not because of any desire to win acclaim or publicity, but because there was then such a wide gap between British and U. S. views.

It was felt at that time, that a most useful contribution might be made by a "third" party, in bringing these two great powers into agreement.

Unfortunately, Canada has done

little or nothing to blow her horn about this draft. Very few people (even at Bretton Woods) knew of its existence, or knew that it was the Canadian proposal which form very largely the basis on which the New Hampshire discussion is founded.

Few people know that some of the most responsible jobs in the entire conference have been given to Canada. That men like Louis Rasmussen of the Bank of Canada; Dr. W. A. Mackintosh of the Department of Finance (working head of our delegation); John Deustch of the Department of External Affairs; Wynne Plimtre of our Canadian Embassy at Washington, have been performing tasks and taking a responsibility for decisions equal to that of any delegation irrespective of its size or importance. These are things more Canadians should know about. They are the reasons which have made the fiscal and economic side of Canada's War effort second to none.

DEMOCRACY IN BUSINESS

The co-operative movement is democracy in business. As it depends on human agencies to conduct it, it can never be perfect, but it is a long way ahead of the capital stock company and the modern trust corporation.

Co-operation does not exist in law or in formula. It exists in the minds and hearts and purposes of the people. It is founded on mutual confidence and trust. With the development of these ideals people can make a success of co-operation.

The Alberta Wheat Pool is a creation of the farmers of this province. It has demonstrated its efficiency as a business organization and also its adherence to the co-operative principles. To make the interest and support of a greater number of the farm people of this province.

DEATH OF CHARLES JOEL

This little community was shocked Saturday evening to learn of the death of Mr. Charlie Joel, although he hadn't enjoyed the best of health for some little time, his passing away came very suddenly. Mr. Joel was highly respected in our district always helping when and where he could.

He was born at Gloucestershire, England 55 years ago. He had farmed in the district for a number of years. Mr. Joel had been in very poor health for some time but his passing came as a shock to all.

He is survived by his wife, Pearl, one son Donald, and two daughters, Helen and Marilyn, all of Ardenode; four brothers, William of Nightingale, Ernest and Sidney in Toronto and Walter in England, and one sister, Mrs. Nellie Reid in Toronto.

Funeral services were conducted in the United Church on Tuesday, July 25th, with Rev. S. R. Hunt officiating. Burial was in Strathmore cemetery. The Pall Bearers were Wilfred Shuman, Fred Rambridge, Albert Gillings, Colman Morgan, Art Kimmitt and Douglas Brooks.

Metz and Holloway were in charge of arrangements.

The ladies and gentlemen of the local bridge club enjoyed a very pleasant picnic Sunday afternoon down at Beaver Dam.

Chancellor Sports Day was a huge success. The weatherman was exceptionally kind and everything went off according to schedule. The first ball game was won by Hussar over Meadowbrook 7 - 2. Girls softball between Standard and Chay was won by Standard and the second ball game between Hussar and Chancellor was won by Hussar 6 - 4. The boys and girls horse races caused some excitement when Joyce Nicklassen won by a nose over Joyce Sparks and the boys race was won by Alfred Johansen, Richard Larsen being second.

The Military display was very interesting, Lt. P. Rogers and his troop putting on a good show. Major Gooderham M. B. E. O. C. and Capt. House of Gleichen were in attendance. The tear gas was thoroughly enjoyed by all.

Lots of time and patience was spent on the prettily decorated bicycles and they, with the children's races were enjoyed by the youngsters.

It was too bad that only one Ford turned up for the race, but Mr. T. Fraser of Standard Reliable Motors gave an exhibition of what his car could do on the track. The slow auto race was won by M. A. Jorgensen of Wayne. The Bowery dance in the evening was very pleasant as everyone could keep cool and have a good time. The committee wish to thank everyone who helped to make the day the success it was. During the gas attack at the Military display Major Gooderham lost his glasses and if anyone found them will they kindly phone 111 Standard or leave them at the Chancellor post office.

An Aged and Interesting
Proposed of Marriage

Mr. J. D. North has in his possession a letter written February 26th, 1814 by his Grandfather, Mr. R. Stevens of Munroe, Indiana to the lady of his choice asking her hand in marriage. The writing is quite legible though the paper is somewhat yellowed with age.

The weighty question is couched in very philosophical and dignified terms, lacking entirely the exuberance of some of the modern radio reproductions, but we incline to believe just as enduring, though some of the Youth of Today would exclaim—Oh Heck!

CARD OF THANKS

Mrs. Charlie Joel would like to take this opportunity to express her heartfelt thanks for all acts of kindness and sympathy shown her during her sad bereavement.

APPLICATION FOR ROAD ALLOWANCE

NAMAKA

by M. W.

Following the custom of previous years Namaka and Cairnhill Schools met at Beaver Dam for their picnic on July 7th. The forenoon was not very promising but it was very pleasant in the afternoon and evening. Everyone enjoyed the races and the two ball games. All of us were sorry that the day had passed so quickly and we can only look forward to another picnic in another year.

The school closed Friday, July 14th, and the teachers left for their respective homes. School will open again on October 2nd, and we expect to have the same teachers.

On July 11th, there was quite a lot of activity in Namaka especially in the vicinity of the school. The occasion was the digging of the basement under the new teacherage. We are especially indebted to Mr. John Janzen and his tractor and Mr. Eltzen and his tractor and Mr. Fawkes, Mr. Nickel, Mr. Niefeld, Mr. Willsms, Mr. Enns, Mr. Duerksen and Mr. Aitkens who all used shovels. All work was donated and is deeply appreciated.

The Moss family are holidaying in Banff this week.

The Alberta Whoot Pool house has been treated to a coat of paint and looks very much improved.

The United Grain Growers are repairing their elevator.

The Red Cross meets this week at Mrs. Colpoys on Thursday, July 28th.

Mrs. Wm. Fawkes is home from the hospital and we hope she will soon be completely well again.

Mission To Moscow

Hirtle's Theatre featured a very educational picture Friday and Saturday evenings when, "Mission to Moscow" from the book of the same name by John Davies, American Ambassador to Russia was flashed on the screen, showing startling facts about Russia and Germany before the present war.

It showed the very distinct contrast between the quiet defence builders of Russia and the seething militarism of Germany in 1938, and also showed the good-neighbor policy of our great ally, so strongly entrenched in its citizens.

M. D. BOW VALLEY

HOLD MEETING TUESDAY JULY 11

Present at the meeting were Reeve J. Harwood, Reeve J. A. McArthur and Councillors Wheatley and Jackson. The minutes of the previous meeting were read and adopted.

A tender for a barn at Carseland at \$300 was refused as being entirely too low.

A tender from the Standard Gravel and Surfacing Co. Calgary, for graveling 13 miles of market road north of Cluny, one inch crushed and screened gravel to be applied at the rate of 500 cubic yards per mile at a cost of \$1.42 per cu. yd. The work to commence on Aug. 1st, with six or more local trucks employed.

Moved by J. M. Wheatley that J. A. McArthur interview the tenant Mrs. Julia Ganthier re necessary permission to enable the Municipality to purchase and haul gravel from S. 3/4 S.W. 12-21 W. of the 4th, and that Harwood and McArthur meet the C. P. R. re purchasing said lands for a Municipal gravel pit.

Bridge Namaka Road W. 34-23-24 of the 4th. Moved by Councillor Jackson that this road allowance be opened up and bridge be erected. The M. D. Bow Valley and the W. I. D. would each pay one half the cost of material. Councillor Jackson's report on improvements made to Wyndham Park was received and accepted.

A motion that the Sec-Treas. take proceedings against all lands in this M. D. subject to Tax Recovery Notification, except those lands where the arrears are subject to a Tax Consolidation Agreement, also that he take title to all unsold lands offered for sale at Feb. 15th, 1940.

Premier Manning was petitioned the Municipal Employees be exempted from The Hours of Work Act. This request was granted.

Hoary Cress Situation—

Weed Supervisor Doon and our inspectors reported that Hoary Cress was their increasing concern. Ten quarter sections should be seeded with grass. The best part of one hour was spent in a frank discussion.

The following motions were passed. Wheatley moved that we go on record to the effect that from the first day of January, 1945, the responsibility for the destruction of noxious weeds on lands and road allowances shall be the responsibility of the farm

ers.

Jackson moved that our permanent policy be that lands badly infested with noxious weeds shall be condemned and the seeding of cereal crops prohibited; and that our Weed Inspectors submit to this Council a list of all lands so infested that should not be seeded the season of 1945.

McArthur moved that this Noxious Weed Motion be met with a grass seed policy. We suggest that the landowner pay for one third of the cost of the grass seed, the Municipality one third and the Province of Alberta one third. And that this request be submitted to the Department of Agriculture of the Province of Al-

berta.

A motion was passed that we sit as a Court of Revision on Tuesday, August 8th, 1944 at 1:30 p.m.

Moved by Jackson and carried that all poundkeepers be instructed to forward copies of notices of sale of impounded animals at our municipal pounds to this office and the Sec-Treas. shall forthwith publish them in the Strathmore Standard.

A motion that we make an application to the Minister of Public Works for a grant of \$1,000.00 for the construction of roads on School Bus Routes was moved by Harwood and passed.

The meeting adjourned at 5:30 p.m.

... ask yourself this Question

One look in your mirror will give you the answer . . . Am I man or mouse . . . am I one of those who lets the other fellow face all the danger, take all the risks? Look yourself straight in the eye and ask yourself this one question . . . Have I the guts? The guts to wear the G.S. badge on my sleeve—to fight that my home, my people may be free.

You'll need months of thorough training to make you fighting-fit. Your place is beside every man who has the courage to see it through. Canada's Army needs you NOW, and needs you for overseas service.
